Attn: This gift note is not valid for entry into Federal Recreation Lands.

With your new 2024 pass in hand, you'll have access to more than 2,000 federal recreation sites across the U.S. without having to pay multiple entry fees. Frequent visitors to multiple federal agency lands can save money with an annual pass. Pass program proceeds are used to improve visitor recreation services, and that helps public land agencies protect these national treasures for generations to come.

Your Annual Pass is honored nationwide and covers Entrance Fees or Standard Amenity Fees at sites managed by the U.S. Forest Service, U.S. Army Corps of Engineers, National Park Service, U.S. Fish & Wildlife Service, Bureau of Land Management and Bureau of Reclamation.

- Valid for one full year from month of purchase.
- Passholder must be present when pass is being used. Photo identification may be required to verify ownership.
- Each pass has one line for a single passholder to print and sign their name.
- Provides entrance or access to passholder and accompanying passengers in a single, private, non-commercial vehicle at federally operated recreation sites across the country.
- Covers the passholder and 3 accompanying adults age 16 and older at sites where per person entrance or day-use fees are charged. No fee for children 15 and under.
- Please note that the Annual Pass will not be available for immediate download or printing. A physical pass will be shipped to you. Representations of the pass (e.g. receipts, copies, photos, etc) are NOT valid for use and will not be accepted in lieu of a physical pass.
- Passes are NON-REFUNDABLE, NON-TRANSFERABLE, and CANNOT BE REPLACED IF LOST OR STOLEN.
- Fees and pass acceptance vary widely across the thousands of Federal Recreation sites. Please contact specific sites directly for information on what is or is not covered.
