### Directions:

Eastbound: Take Exit 52 off Interstate 90, keep to the right. From the end of the exit ramp, you can see our location on the right, about one block away. We are just past the Summit West resort entrance. Look for our Welcome signboard with orange flags in front of the US Forest Visitor Information Center.

Westbound: Take Exit 53 off Interstate 90. Turn left onto Yellowstone Road. Continue under the freeway to the next stop sign, turn right onto Hwy 906. You will pass the DOT rest stop next to Red Mountain Coffee on your right, keep going straight for another few blocks. The US Forest Service Visitors Information Center is on the left side of the road, watch for our Welcome signboard mounted with orange flags.

### Parking:

Park anywhere along Hwy 906, across from the US Forest Service Visitor Information Center. There is no fee for parking and you do not need a SnoPark permit. However, space can be very limited, you may have to park some distance away from our facility.

### Pre-Check In Suggestion:

There is a DOT rest stop (next to Red Mountain Coffee) a few blocks east of our location on Hwy 906. An advance stop there is a good place for any clothing changes or a restroom visit, as the lines for our own limited restrooms can be crowded. Please allow yourself enough time to park and check in with us **15 minutes prior to your scheduled walk.**
